

WE ARE AMERICANS, WE ARE SCOUTS

The Chief Scout Citizen on Building a Scouting Way of Life

David C. Scott, Editor

We Are Americans, We Are Scouts is a superb collection of carefully selected motivational anecdotes and quotations from Theodore Roosevelt, the first and only Chief Scout Citizen of the Boy Scouts of America. Using words and stories from Roosevelt's remarkable and influential life, Mr. Scott masterfully connects the wisdom, wit and personal moral values of one of America's greatest presidents to the fundamental principles of Scouting.

Researched and assembled from thousands of pages of letters, documents and transcripts, Mr. Scott has skillfully arranged the most inspiring life experiences, written words and sayings of our twenty-sixth president to illustrate the lasting importance of the founding ideals of Scouting in building strong character, being productive citizens, and becoming able leaders. In this incredibly unique book, Mr. Scott's innovative approach bridges the past to the present and future of Scouting to teach the power of action, the impact of one's potential and the meaning of living a good life.

We Are Americans, We Are Scouts is the perfect portable companion and reference book for Scouts, leaders and speakers. It is for everyone discovering and renewing the spirit of our Scouting traditions. Mr. Scott's book is an outstanding resource for use in any setting to show and celebrate the significance of our national heritage and the timeless values of Scouting.
